3rd Floor
Brookline, MA 02445

The Community Development division administers the Town's Community Development Block Grant (CDBG) and HOME grants. Overall, the Town receives approximately \$2 million a year in funds from the federal government to work on issues that help build community in lower income areas of Town. These programs include grants to schools and nonprofits, affordable housing

funding, assistance to the Brookline Housing Authority, and funding of physical improvements in lower income areas, primarily in the lower Brookline Village section of Town.
